Customers say Chair-Pak is the perfect solution for active families!

"Dear Chair-Pak:

I have used my Chair-Pak for well over 10 years now and it is the best!! I coach soccer for all 4 of my kids, so it gets a lot of use. I have a bad back, and this chair is much more comfortable than any other out there, plus I can hold team snacks, etc., in the pack. Best piece of sports equipment I have ever bought!
